Education

2022–28* **Ph.D.**, Computer Engineering, Stony Brook University
2017–21 **B.E.** Electrical Engineering, Visvesvaraya Technological University

Research Experience

2024– Research Assistant, [COSINE Lab](#), Stony Brook University, (Advisor: Dr. Petar Djuric)

Publications

Posters

P1. **Ravishankar**, A., Llorente, F., Song, Y. & Djuric, P. *Ensemble Mashups: A Simple Recipe For Better Bayesian Optimization* NeurIPS 2024 Workshop on Bayesian Decision-making and Uncertainty. Dec. 2024.

Teaching

Stony Brook University

2022 Teaching Assistant Assistant, Embedded Microcontroller Systems Design I, II
2023 Teaching Assistant, Deterministic Signals and Systems and Electrical Circuit Analysis

Other Experience

2021–22 Cloud Engineer (Sagemaker), Amazon Web Services, Bangalore, India

*Expected.
